Sub:- THE MADRAS COMMERCIAL CROPS MARKETS ACT,1933 - South Kanara District - Constitution of the South Kanara Coconut & Arecanut Market Committee for the second year - Section 6(4)(ii) of the Act - Appointment of Members - Representation.

******

Following the application of the Madras Commercial Crops Markets Act, 1933 to South Kanara District in respect of coconut, copra and arecanut, the South Kanara Coconut and Arecanut Market Committee was constituted with members appointed by the Government as per G.O. No.1331, dated the 10th July, 1950.

Soon after the Act was brought into force in this district, there has been considerable protests from the growers. The traders, of course, were not happy at this measure as they felt that the existing system of marketing of these commodities in South Kanara, serves the purpose for which the Act is intended and that there was no need to introduce any new measures. The Chamber had also endorsed the views of the traders and had impressed upon the Government the desirability of reconsidering their decision. The Director of Agriculture, Madras, visited Mangalore on 22-2-1951 and desired the growers and traders in the Committee to accept the measures and to give a trial. The Committee thereafter framed its by-laws and has begun to transact its business.

While the dissatisfaction among the growers continued

to exist as can be seen from the printed Memorandum dated 12-4-1951 submitted to the Government by the All India Supari Federation of Mangalore, that among the traders is increasing. At the specific request of the traders, a meeting of the buyers and sellers of Arecanuts, Copra and Coconuts was held this morning when the members present expressed strong dissatisfaction against the enforcement of the Act. A copy of the resolution passed by them at to-day's meeting is appended herewith for your consideration as desired by them. At the same time, this Chamber has prevailed upon them to abide by the measures introduced and we expect the traders to do so with the hope that the Government will give due consideration to their resolution.

While the Chamber is always desirous to co-operate with the Government, it has also to give vent to the feelings of the members. So far as it lies in its power, the Chamber has been doing everything possible to facilitate enforcement of the Act and desires to assist the Market Committee in the discharge of its duties till the Committee is constituted with the elected representatives and is established on a firm footing.

As per Section 6(4)(ii) of the Act, the term of office of the present members of the Committee is due to expire early in July next and that the Committee is due to be reconstituted with members nominated by the Government for a further period of one year.

In the matter of reconstitution as such, the Chamber is desired to represent to you as follows.-

The personnel of the Committee representing traders, at present, is as follows.-

1. Sri U.Narayana Mallya, Managing Director of M/s.U.Narayana Mallya & Co.Ltd.) Arecanut
2. Sri K.Narayana Bhat of M/s.Karnataka Vyavasaya Sangh Vartaka Sangha Ltd.) Commission Agents.

3.Sri P.Laxminarayana Rao,Manager, South Kanara Agricultural Co-operative Marketing Society Ltd.) Arecanut Commission Agent.

4.Janab Dada Haji Ebrahim Halari, Importer & Exporter,& Proprietor, Dada Rice,Oil & Flour Mills.) Arecanut Exporter & Oil Mill Owner.

5.Sri Sheshagiri Shet of Sri Krishna Mills Company.) Oil Mill Owner.

The above-named persons are all members of the Chamber and they are all eligible for being renominated to the Committee for the second year. But we would like to impress upon the Government that in a Committee of this nature where the co-operation of the trade is very much desirable, especially in the early stage of the Committee's working, it would be in the interest of the Committee itself, to give representation on the Committee to all the business interest in the coconut,copra and arecanut trade so that the different sections could have sufficient interest in the working of the Act. The distribution of the 5 seats as pointed out above is not equitable. The Commission Agents who handle the entire Arecanut trade are,after all, about a dozen in Mangalore and they are given 3 seats while the Arecanut Exporters who number three times that of the Commission Agents were given no representation on the Committee, though Janab Dada Haji Ebrahim Halari was appointed as Exporter-cum-Oil Mill Owner. It would be desirable to have a fair distribution of seats when the Committee consists of nominated members and with that in view, we venture to make the following suggestions for your kind consideration:-

I. The main business interests existing in the coconut, copra and arecamut trade in South Kanara are as follows.-

i. Arecanut Commission Agents(Sellers).
ii. Arecanut Exporters(Buyers).
iii. Copra Commission Agents(Sellers).
iv. Copra Buyers(Oil Mill Owners).

NOTE.- The number of exclusive dealers in coconuts is negligible to be significant and to deserve mention here.

In the interest of fairness and justice, it is very necessary to give representation to the above four interests on the Market Committee. One member may be appointed to represent each of the 4 sections or interests mentioned above. This will enable all the different sections to have a legitimate voice in the deliberations of the Committee and they will have no reasonable ground to fear that their interests would be overlooked by the Committee.

Fifth Member to represent trade.- The Government have been kind enough to allot one of the growers' seats in the Committee to an organisation of the Growers, namely, the South Kanara and Coorg Areca Growers' Union and Sri N.Shankar Bhat, Puttur, Advocate and Secretary of the Union is representing it on the Committee. This was a step in the right direction as in the early stage of the Committee and of the enforcement of the Act, an organisation of this nature can render useful service to the Committee. Similarly, this Chamber, which is the only accredited organisation of traders, in coconuts, copra and arecanuts- all sections- of this district, may be given a representation on the Committee and the Honorary Secretary of the Chamber may be appointed as the fifth member representing trade, so that the Chamber can associate itself with the activities of the Committee. We hope the Government will realise the usefulness of associating this Chamber in the working of the Committee. We request the Government to examine our suggestion mentioned above and if our request is complied with, we are sure, the Committee can do useful work during the next one year. Should you be pleased to ask for the names of persons to represent the different business interests on the Committee, the Chamber would be too glad to convene a meeting of all the business interests immediately to select their representatives to serve on the Committee. We are sure that such a course would be very reasonable and would create confidence in the traders.

II. Representation to Growers.- Though this is a matter with which this Chamber is not directly concerned, we wish to bring to the notice of the Government certain anomoly. The distribution of seats to different growers, as it is now, has not been equitable as it ought to be. Out of the 5 growers now in the Committee, 3 are representing coconut interests and only two are Arecanut growers including the representative of the Growers Union. In South Kanara district, so far as the Market Committee is concerned, the coconut growers as such, will have very little to do, compared to that of copra producers and arecanut growers. We may say that it can never be improper, if all the five seats are allotted between the copra grower-cum-producers and arecanut growers. We would suggest, therefore, that fresh nominations to represent growers interests may be made in consultation with the Collector of South Kanara. We may add that out of 5 seats, one seat to a ~~largest~~ biggest coconut grower, one to a coconut grower-cum-copra producer and 3 seats to Arecanut growers would be very reasonable.

III. When the Malabar Coconut and Arecanut Market Committee was reconstituted very recently, we observe, that one of the former official members of the Committee viz. the Co-operative Marketing Officer, Central Arecanut Committee, has been replaced by the Secretary of the Central Arecanut Committee. We admit that a reference to this aspect of the constitution of the Committee is beyond our province. Yet we refer to it because we feel it, as an indication of the Government's proposal to make a similar change in the official membership of the South Kanara Coconut and Arecanut Market Committee also. We do not see any justification for such a change. We strongly urge that no change in the official membership of the local Committee be made and that the Cooperative Marketing Officer of the Central Arecanut Committee who hails from the Kannada speaking area and who knows

Kanarese, and whose association with the Committee will thus be very useful, may be re-nominated to the Committee.

We shall be grateful if you will kindly bestow your sympathetic consideration on our above proposals which are advanced in the best interest of the Committee. We hope to have your favourable orders at an early date. In the meantime, the receipt of this may kindly be acknowledged.

Thanking you,

Yours faithfully,
For THE KANARA CHAMBER OF COMMERCE

The Hon'ble Sri A.B.Shetty,
Minister for Agriculture,
Government of Madras,

Sir,

Sub: THE MADRAS COMMERCIAL CROPS MARKETS ACT,1933 - Traders Representation against the application of the Act to South Kanara- Traders' meeting on 14-6-1951 at 11-30 A.M.

We, the under-signed dealers, assembled at this meeting of the Buyers and Sellers of Arecanuts, Coconuts and Copra, convened by the Kanara Chamber of Commerce,Mangalore at our specific request, to consider the situation arising out of the application of the Madras Commercial Crops Markets Act, 1933 to this district, after carefully examining the implications of the Act, hereby resolve as follows:-

" That the system of marketing of Arecanuts, Coconuts and Copra in Mangalore and elsewhere in the District of South Kanara has been most satisfactory to both the growers and the traders, in that, the growers get a better price for their produce, the market practice has been regulated to suit the requirements of growers, the market charges have been uniform and reasonable, no unauthorised or illegal deductions or allowance exists and weights maintained by traders are all accurate and correct;

As such, all the benefits which, in the opinion of the Government, are derived by the establishment of regulated markets, are already enjoyed now by the growers and therefore, the introduction of any measure to interfere with the existing system of trade is wholly uncalled for and unwarranted;

On the other hand, the new measures impose on the traders several obligations and burden which would create nothing but inconvenience and hardship, not to speak of the heavy expenses to be incurred;

(contd.)

In these circumstances and in view of the present smooth trading conditions prevailing in the district, we wish to express our strong dis-satisfaction at the application of the Act and the establishment of a Market Committee. We therefore request the Government to be good enough to withdraw the application of the Act."

***

Your above letter was placed before the Committee of the Chamber at its meeting held on 25.6.51 and I am to convey to you the Committee's appreciation and grateful thanks for your kind reference desiring the Chamber to suggest specific names of members to represent the different business interests for nomination by the Government to the South Kanara Coconut and Arecanut Market Committee which is due to be reconstituted shortly.

The Committee of the Chamber having decided to consult the traders concerned, a meeting of all the Buyers and Sellers of Arecanut, Coconut and Copra who are the traders coming under the purview of the Madras Commercial Crops Markets Act, 1933 was held yesterday to select suitable persons to represent all the trade interests, as indicated in the last para on page 3 and the first para on page 4 of our representation dated 14.6.51 to Government.

While the Chamber desired one representation for itself on the Market Committee out of the 5 traders' seats, the meeting desired that all the 5 seats should be filled up by the traders selected at the meeting, since the South Kanara Agricultural Co-operative Marketing Society Ltd., Bangalore desired to be represented on the Market Committee in addition to the member representing their trade interests on the Market Committee. Accordingly the meeting has elected the following 5 persons and has desired the Chamber to impress upon the Government the desirability of granting one representation to the Chamber as such, in addition to these 5 persons representing trade.-

(contd.)

Name of Person selected.	Interest represented by him.	Remarks.
1. Sri Ullal Narayana Mallia, Managing Director of M/s.U.Narayana Mallia & Co.Ltd., Bunder, Mangalore.	Arecanut Commission Agents (Sellers)	Chairman of the Market Committee at present.
2. Sri Mailoor Laxminarayana Rao, Secretary, South Kanara Agricultural Co-operative Marketing Society Ltd., Bunder, Mangalore.	- Do. -	Member of the Market Committee at present.
3. Sri T.Anantha Nayak, Partner of M/s.Anantha Subraya Nayak & Co., Bunder, Mangalore.	Arecanut Exporters (Buyers)	
4. Janab Hafiz Gul Mohamad, Bunder, Mangalore.	Copra Commission Agents (Sellers)	
5. Janab Seth Hafiz Ibrahim Hajari, Proprietor, Seth Rice, Oil & Flour Mills, Bunder, Mangalore.	Copra Buyers (Oil Mill Owners)	Member of the Market Committee at present.

We may be permitted to refer you once again to the request of the Chamber contained in para 4 of our representation, to nominate one representative of this Chamber on the Committee.

While the Chamber represents the entire trade interested in the commercial crops, a direct representation to the Chamber on the Committee, will provide an useful link between the Market Committee and the traders all over the district, which is so very essential for the proper and efficient functioning of the Market Committee in its early stage. We trust that the Government will realise the usefullness of associating the Chamber with the working of the Market Committee and accomodate one representative of this Chamber as a trader-member of the Market Committee, in addition to the 5 members selected as stated above. Should you be pleased to comply with our request, we suggest that the Honorary Secretary of this Chamber may be nominated to the Market Committee.

We request you to kindly endorse our above suggestions with your recommendations to the Government for their kind and favourable consideration.

(2) Your letter No.[illegible] dated 21.6.51 desiring the Chamber to suggest specific names.
(3) Our letter to you dated 23.6.51.

Your above letter was placed before the Committee of the Chamber at its meeting held on 25.6.51 and I am to convey to you the Committee's appreciation and grateful thanks for your kind reference desiring the Chamber to suggest specific names of members to represent the different business interests for nomination by the Government to the South Kanara Coconut and Arecanut Market Committee which is due to be reconstituted shortly.

The Committee of the Chamber having decided to consult the traders concerned, a meeting of all the Buyers and Sellers of Arecanut, Coconut and Copra who are the traders coming under the purview of the Madras Commercial Crops Markets Act, 1933 was held yesterday to select suitable persons to represent all the trade interests, as indicated in the last para on page 3 and the first para on page 4 of our representation dated 14.6.51 to Government.

While the Chamber desired one representation for itself on the Market Committee out of the 5 traders' seats, the meeting desired that all the 5 seats should be filled up by the traders selected at the meeting, since the South ~~Kanara Agricultural Co-operative Marketing Society Ltd.~~, Mangalore desired to be represented on the Market Committee in addition to the member representing their trade interests on the Market Committee. Accordingly the meeting has elected the following 5 persons and has desired the Chamber to impress upon the Government the desirability of granting one representation to the Chamber as such, in addition to these 5 persons representing trade.-

(contd.)

Name of Person selected.	Interest represented by him.	Remarks.
1. Sri Ullal Narayana Mallia, Managing Director of M/s.U.Narayana Mallia & Co.Ltd., Bunder, Mangalore.	Arecanut Commission Agents (Sellers)	Chairman of the Market Committee at present.
2. Sri Pailoor Laxminarayana Rao, Secretary, South Kanara Agricultural Co-operative Marketing Society Ltd., Bunder, Mangalore.	- Do. -	Member of the Market Committee at present.
3. Sri T.Annappa Nayak, Partner of M/s.Annanna Subraya Nayak & Co., Bunder, Mangalore.	Arecanut Exporters (Buyers)	-
4. Janab Haji Gul Mohemad, Bunder, Mangalore.	Copra Commission Agents (Sellers)	-
5. Janab Dada Haji Ebrahim Halari, Proprietor: Dada Rice, Oil & Flour Mills, Bunder, Mangalore.	Copra Buyers (Oil Mill Owners)	Member of the Market Committee at present.

We may be permitted to refer you once again to the request of this Chamber mentioned in para 2 on page 4 of our representation to Government, to nominate one representative of this Chamber on the Committee.

While the Chamber represents the entire trade interests in the commercial crops, a direct representation to the Chamber on the Committee, will provide an useful link between the Market Committee and the traders all over the district, which is so very essential for the proper and efficient functioning of the Market Committee in its early stage. We trust that the Government will realise the usefullness of associating the Chamber with the working of the Market Committee and accomodate one representative of this Chamber as a trader-member of the Market Committee, in addition to the 5 members selected as stated above. Should you be pleased to comply with our request, we suggest that the Honorary Secretary of this Chamber may be nominated to the Market Committee.

We request you to kindly endorse our above suggestions with your recommendations to the Government for their kind and favourable consideration.

Yours faithfully,

(K.Keshava Shenai)

2/- I have received representation from the Kanara Chamber of Commerce requesting that two persons one to represent the exporters and the other to represent the Copra Commission agents may be included in the committee. These two interests are not at present represented in the committee. The Chamber has recommended one Sri.T.Annappa Naik, Partner of Messrs Annappa Subraya Nayak and Co., Bunder Mangalore to represent the exporters and one Janab Haji Gul Muhammad, Bunder Mangalore to represent Copra Commission agents. With reference to your communications referred to above the Union has to state as follows:

Out of the 5 representatives of the growers Nos 4 and 5 alone represent the areca growers and the remaining 3 persons represent the coconut growers. The cess that would be collected from the arecanut market would be very much more than coconuts and therefore it is obvious that the number of representatives of arecanut growers ought to be more. We do not know as to on what basis the proportion nas been fixed.

Though the Union has no objection to the persons as such nominated last year to represent areca

growers the Union suggests that instead of

Mar '59 above

the last year's nominees, the following may be nominated.

1. Sri M.N.Bhide, President, South Kanara and Coorg Areca Growers' Union, Kadri Hills, Mangalore- 3.

The suggestions of the South Kanara and Coorg Areca Grower's Union to nominate Sri M.N.Bhide and Sri A.P.Subbayya in place of last year's nominees Sri N.Shanker Bhat and Sri Durga Venkatesh Bhat may be accepted. With regard to the point raised by the Union that representatives of arecanut growers ought to be more than the cocoanut growers I may point out that it is not feasible to adopt any definite proportion. The members were selected with reference to their usefulness in the committee and other qualifications. They also represent all important areas in the district. In these circumstances a change in the membership to satisfy the proportion of the cess that is likely to be collected from areca market to the total cess does not appear necessary.

the letter from the Kanara Chamber of Commerce at pp 5-15 cf and the letter of the secretary, Indian Central Arecanut Committee at p.17 cf may be perused.

the Kanara Chamber of Commerce has made certain suggestions for nomination to the South Kanara Market Committee. A copy has gone to the D.A also. With reference to the request of the I.C.A.C that its Secretary may be nominated in the place of its Coop Marketing Officer the D.A has already

have now been omitted and in these places the Kanara Chamber of Commerce has suggested the nomination of Sri T.Annappa Nayak, Mangalore (Arecanut Exporter) and Janab Haji Gul Mohamad, Mangalore. The Collector of S.Kanara has stated that, as Sri K.Narayana Bhat, (old member) has not been attending the meetings of the market committee regularly, his name may be eliminated. As there were two members representing oil millers, the Collector has also suggested that Sri Seshagiri ~~Bhat~~ Shet need not be nominated again. In effect, he supports the suggestions of the Kanara Chamber of Commerce. The D.A. also agrees. For orders whether the 5 ~~persons~~ persons suggested by the Kanara Chamber of Commerce and mentioned at 'K' above and recommended both by the Collector of S.Kanara and the D.A. may be nominated.

3. The Kanara Chamber of Commerce has also requested the Govt. that an additional seat may be given to the Chamber direct ~~through~~ through ~~it~~ the meeting of buyers and sellers ~~concerned~~ Commerce by the Chamber desired that all the 5 seats should be filled up by the traders selected and mentioned at 'K' above. It may however be stated that ~~an~~ the original intention of the Govt. was to give 4 seats to traders and one should be treated as 'general'. As all the five seats are being given to traders it does not seem necessary to give direct representation to the Chamber by an additional seat. For orders.

4. One of the persons ~~that were~~ that was nominated to the S.Kanara Market Committee was the Cooperative Central Marketing Officer of the Indian Central Arecanut Committee. In connection with the nomination of members to the Malabar Market Committee the Indian Central Arecanut Committee requested the Govt. that its Secy. might be nominated to Malabar and S.Kanara ~~to the~~ Market Committees in the place of its Cooperative Marketing Officer. The suggestion of the Indian Central Arecanut Committee was accepted and its Secy. was accordingly nominated as Secy. of the Malabar Market Committee.

The Kanara Chamber of Commerce does not desire a change as the Cooperative Marketing Officer hails from the Kannada speaking area and knows Kanarese. As it is Indian Central Arecanut Committee that is concerned with the represented and as its suggestion to nominate Secy. was agreed to in the case of the Malabar Market Committee the request of the Kanara Chamber of Commerce to nominate the Central Cooperative Marketing Officer may be rejected. for orders

5. As regards representation of growers, the Collector of S.Kanara has suggested that the old members whose names are given below may be nominated:-

1. Sri P.R. Ramachandra Punja, Mangalore.
2. Sri C.M.Kunhikannan Nair, Udenoor. Udayavar
3. Sri A.G.Soans, Bakel Mission Farm, Moodabidri.
4. Sri N.Shankar Bhat, Advocate, Puttur.
5. Sri Durga Venkatesh Bhat, Vakil, Kaikala.

The D.A. agrees with the suggestions of the Collector.

Attention is in this connection invited to the letter of the S.Kanara and Coorg Growers' Union at pp.55-57 c.f. and the orders of H.M.(Agri) at p.55 c.f. The Union requests the Govt. to make nominations to the market Committee in consultation with it and not arbitrarily fill up the growers' seats. It may however be stated that Sri N.Shanker Bhat, one of the 5 grower members proposed to be nominated is the Secy. of the S.Kanara and Coorg Areca Growers' Union, Mangalore. In view of this and as there will be delay in the nomination of members if the Union is to be consulted it is for orders whether the Union need be consulted now.

6. The case may be circulated to H.M.(Agri) and H.C.M. for orders on 'A', 'B', 'C', and 'D' above.

Note for Circulation

The case deals with the proposals for renomination of members to the South Kanara Market Committee which was recently constituted under the Madras Commercial Crops Markets Act.

Vide copy of Govt (A)

2. In G.O. No. 1331 F.& A dated 10-7-1950 all the members were nominated to the South Kanara Market Committee for a period of one year. Please see the names of the members in column (1) of the Statement at (c). Of these, 5 were trader members and 5 were grower members. The term of office of these members expired on 9-7-1951 and the Collector of South Kanara would exercise all the powers of the Committee till another Committee is constituted.

As the Collector has not yet completed the preparation of electoral rolls it is not possible to hold elections to the market Committee. Under clause (ii) of the proviso to section 6 (4) of the Madras Commercial Crops Markets Act the Govt. can renominate members for another period of one year. In this connection the Kanara Chamber of Commerce has pointed out that the existing distribution of 5 seats to traders is not equitable as the arecanut exporters who number three times that of the Commission agents were not given representation and has therefore suggested that the 5 persons (traders) mentioned in col (2) of the statement at (c) may be nominated. According to these suggestions the names of two of the old members viz., Sri. K. Narayana Bhat and Sri. Sheshagiri Bhat, Mangalore have been omitted and in these places the Kanara Chamber of Commerce has suggested the nomination of Sri. T. Annappa Nayak and Janab Haji Gul Mohammad, Mangalore. The Collector of South Kanara and the D.A. agree with the

suggestions of the Chamber may be accepted.

2. The Kanara Chamber of Commerce has also requested the Govt. that an additional seat may be given to the Chamber direct, though the meeting of buyers and sellers convened by the Chamber desired that all the 5 seats should be filled up by the traders selected who are referred to at 'A' above. ~~and mentioned at 'K' on p 4 above.~~ It may, however be stated that the original intention of the Govt. was to give 4 seats to traders and That one should be treated as 'general'. As all the five seats are being given to traders it does not seem necessary to give direct representation to the Chamber by an additional seat. For orders. /B

3. One of the persons that was nominated to the S. Kanara Market Committee was the Cooperative ~~Central~~ Marketing Officer of the Indian Central Arecanut Committee. In connection with the renomination of members to the Malabar Market Committee, the Indian Central Arecanut Committee requested the Govt. that its Secy. might be nominated to the Malabar and S. Kanara Market Committees in the place of its Cooperative Marketing Officer. The suggestion of the Indian Central Arecanut Committee was accepted and its Secy. was accordingly nominated as Secy. of the Malabar Market Committee.

The Kanara Chamber of Commerce does not however desire a change as the Cooperative Marketing Officer hails from the Kannada speaking area and knows Kanarese. As it is the Indian Central Arecanut Committee that is concerned with the representation and as its suggestion to nominate its Secy. as a member was agreed to in the case of the Malabar Market Committee the request of the Kanara Chamber of Commerce to nominate the Central Cooperative Marketing Officer to the S. Kanara Market Committee may be rejected. ~~for orders.~~ and the Secy. of the C. A. Arecanut Committee nominated as suggested by the Committee.

4. As regards representation of growers, the Collector of South Kanara has suggested that the old

members mentioned in items ~~(6)~~ to ~~(10)~~ in col (1) of the statement at (c) may be renominated. The D.A. agrees with the suggestion of the Collector.

Attention is in this connection invited to the letter of the S. Kanara and Coorg Growers' Union at pp 55-57 c.f. and the orders of H.M. (Agri) at p 55 c.f. The Union requests the Govt. to make nominations to the market Committee in consultation with it and not arbitrarily fill up the growers' seats. It may however be stated that Sri. N. Shanker Bhat, ~~one of the 5 grower members proposed to be nominated, is~~ the Secy. of the S. Kanara and Coorg Areca Growers' Union, Mangalore, is one of the 5 grower members proposed to be nominated. In view of this and as there will be delay in the nomination of members if the Union is to be consulted it is for orders whether the Union need be consulted now.

5. The case may be circulated to H.M. (Agri) and H.C.M. for orders on 'A', 'B' & 'C' ~~and~~ on A & B above 'D' above.

The election of members could not be held in time as the preparation of the electoral rolls of growers has not been completed by the Collector.
